

Non-animal Gelatin Softgels: Meeting today's consumer trends

PLANT-BASED. POWERFUL. INCLUSIVE.

Health-conscious consumers increasingly seek supplements that align with their **values, health goals, and lifestyles**. Plant-based options are especially appealing to vegetarians, vegans, and also resonate with consumers who prefer inclusive formulations.

Non-animal softgels offer the trusted performance of traditional capsules, now made with **plant-based ingredients** that meet modern dietary preferences – without compromise.

Powered by InnovaGel® – our advanced technology toolbox for softgel innovation – KD Nutra offers both **traditional gelatin** and **plant-based softgel formats**, ensuring the right solution for every market and every consumer.

WHAT ARE NON-ANIMAL GELATIN SOFTGELS?

Soft capsules made with plant-derived polymers, available as carrageenan or tapioca, to meet your formulation needs.

- 100% Plant-Based
- GMO-Free
- Allergen-Free
- Halal, Kosher & Vegan Certified

WHY CHOOSE PLANT-BASED SOFTGELS?

Today's consumers want products that match their values, health goals, and lifestyles.

- ✓ Plant-based, animal-free formulation
- ✓ Clean-label appeal across diets
- ✓ Suitable for vegan, vegetarian, Halal, and Kosher markets
- ✓ Effective delivery of nutrients such as algal oil Omega-3s (EPA & DHA)

Our non-animal gelatin softgels deliver performance - without compromise.

WHAT MAKES THEM DIFFERENT?

Non-animal softgels expand the possibilities of capsule delivery by offering an inclusive alternative to traditional formats.

Key Benefits:

- ✓ Gelatin-free and animal-free
- ✓ Stable under standard storage conditions
- ✓ Made for modern health and wellness products
- ✓ Suitable for vegan, Halal, and Kosher needs

A smart choice for brands looking to connect with today's diverse and evolving supplement market.
